TOTAL COST	\$12,000*	\$17,000*	\$23,000*

*\$3,000 per apprentice per year tuition contribution used in total cost calculation

ENTRY-LEVEL TALENT ACQUISITION ALTERNATIVES TO CAREERWISE

SOLUTION	FEATURES	COST
Hiring college grads and training them up for 6-12 months	 Pay for credential, must train up anyway. Potential low employer loyalty 	 Depends on position/industry Salary + training costs north of \$50-100k
Paying a temp/staffing firm to find entry level talent	 Wage premium, direct hire fee for immediate workers Turnover rate may be high 	 Depends on position/industry All-in costs in \$50-100k range for middle-skill positions
Poaching entry-level skilled talent	 Pay wage premium Skilled workers immediately, but low retention/loyalty 	 Pay wage premium (10-20% above market) Potential talent bidding wars
CareerWise Positive-ROI Apprenticeships	 ROI of 5-7+% realized 3 years later Loyal, adaptable, diverse, and digital-native talent pool 	• \$10-15k year • Expected salary if hired is \$35-40k minimum
